

A f f i d a v i t .

I,

Paul JOPPEN,
Essen, Huyssenallee 92,

am aware that I render myself liable to punishment by giving a false affidavit. I hereby depose that my statement is true and was made to be submitted as evidence to the Military Tribunal in the Palace of Justice, Nurnberg.

I am a pharmacist in Essen.

Today there is a great shortage of some medical supplies. For most of the prescriptions only "similar" drugs, or a smaller amount than prescribed by the physician, can be supplied. Surgical dressings, especially cottonwool, are in extremely short supply and there is not enough for the barest necessities.
