- II E R - 299/42 -

SUBJECT: Employment of Russian Civilian Workers

Reference: Decree dated 9 March 1942 - II E R - 799/42.-

You will immediately instruct the leaders (counter intelligence agents, plant leaders) of the camps for Soviet Russian Workers within your jurisdiction to make an announcement to all persons from old Soviet territory employed in their plants to the effect that escapes or attempts of escape will be punished severely. These announcements will be made immediately.

Reports on the action taken, stating when and by whom the announcement has been made, will be submitted to me, In order to cover all camps within your jurisdiction (cp. decree dated 19 May 1941 - I D -), you will in the first instance contact the competent Labor Offices.

Mutatis mutandis, this decree will also apply when new camps are set up or when new workers arrive.
