ORDER

Case No. 10

It affirmatively appearing from the face of the record that in the opinion and judgment of the Tribunal in connection with the contempt proceedings against certain defense counsel, appearing in the transcript of the record of the session held on 20 January 1948, certain facts were inadvertently omitted and it being considered advisable to have the opinion and judgment reflect the material and determinative facts as they otherwise conclusively and affirmatively appear upon the face of the record:

It is accordingly ordered that the attached, corrected and amended opinion and judgment consisting of 10 and a fraction pages be and is the official opinion and judgment of the Tribunal in respect to said matter.

This order was made on 22nd January 1948 but by inadvertence was not entered and is entered nunc pro tunc.
