German Reich. Official.
Public notice.

In the Reich Gazette No.163 of 15 July 1921 we published a list
of firms who had been approved by the Allies for the production of
arms, munitions, and war materials (article 168 of the Peace Treaty).

This list will be replaced by the following list of plants or
factories whose maintenance for the permissible production of arms,
munitions and war materials has been approved.
