Subject: Order No. 11109/33 of 14 June 1933
" " 11110/33 in 321 - 1

It was decided in a discussion with Messrs. Hayn, Dorn and Steinrut and my Referent Capt. Dr. Benicke on 16 June 1933 in 321-1 that for the sake of ensuring secrecy the code word "Sicherheitsstand" was to be used in correspondence instead of the expression "Panzerkuppeln" (pill boxes). The same applies to the correspondence between your firm and the firms commissioned by me to prepare the "Sicherheitsstaende" (pill boxes).

The "Sicherheitsstaende" were called pill boxes in the Dispatch Notice K No. 1192/1429 of 30 May 1934 sent to the Fortress Construction Administration Glogau/Silesia. in 321-3

It is pointed out that the above agreements are to be complied with. It is also requested again that the dispatch notices for the two orders be kept separate.
