I,

Erich KOENEBRUCH, residing at
Friedrichstr. 9, Bamberg,
Handlungsbevollmaechtigter at the
Suedwerke G.m.b.H. in Bamberg,

know that I render myself liable to punishment if I make a false affidavit. I declare on oath that my statements are the truth and that they were made in order to be submitted as evidence to the Military Tribunal in the Palace of Justice at Nuremberg.

After inspecting what complete records were available at the administrative offices of the Suedwerke G.m.b.H. in Bamberg, I ascertained the following respecting the investments that increased asset value on the part of the Elmag G.m.b.H. in the Elmag A.G. in Muehlhausen:

- 1) For new plant installations, some of which were not fully carried out, a total of Reichsmark 617.871,32 had been expended by October 1944.
- 2) For a new telephone system, installed in the premises of the Elmag A.G. as the lessor RM 220.905,15 were expended.

These installations **resulted** in a considerable increase in value of the plant facilities of the Elmag A.G., some of which, especially the telephone equipment, had been exceedingly obsolete.
