Exhibit No. ...

I, Dr. Gert W e i z , assistant defense counsel for
Karl Eberhardt in Case X at the American Military Tribunal
in Nuremberg, herewith certify that the attached document:

Operational instruction of Prokurist Biagi concerning
the handling of machinery and plant installation from
the property of Elmag A.G., dated 19 Sept. 1944,
was lawfully copied from the files of the Krupp firm made
available to me as captured documents by the prosecution in
Nuremberg, and that the copy is a true and correct copy of
the original.

In the evacuation of certain manufactures, the following should be noted:

- 1) Elmag, Elsaessische Maschinenbau A.G. has agreed that 102 machines shall be transported from flak manufacture to some other place.
- 2) These machines should be recorded separately, a list should be furnished to Elmag A.G.
- 3) If in addition the plant installations, tools, equipment etc. is transported away, it should be noted exactly whether the goods are property of Elmag A.G. or Elmag G.m.b.H. In each case, separate lists should be compiled, of which a copy should be furnished also to Herr Dalmer in so far as it deals with Elmag A.G. property.
- 4) Every removal of Elmag A.G. property from the plants at Muelhausen, Masmuenster and Jungholz requires the special permission of Elmag A.G. or the CdZ.
- 5) In cases of doubt Herr Doermenburg, who can give information on the property situation, should be consulted.
