Affidavit

I,

Brunc Fugmann, born 9 July 1883 at Leipzig,
resident in Rheinhausen, Villenstr. 4

have been duly warned that false statements on my
part will render me liable to punishment. I declare on
oath that my statement is true and was made in order to
be presented as evidence to the Military Tribunal III A,
Case X at the Palace of Justice, Nurnberg, Germany.

When the Sartana Eisen- und Metallwerke G.m.b.H.
was founded, I was appointed Business Manager. I con-
tinued to live in Rheinhausen on Rhine.
The Company was to manufacture munitions in the Ukraine
for the Army High Command.
Only a proportion of the machines and other in-
stallations which were to be supplied from Germany,
reached the plant chosen in the Ukraine, however. Manu-
facture as such was never started. Up to the date fixed
for the commencement of production, the sole function
of the Sartana Eisen- und Metallwerke G.m.b.H. was to
handle finances. Since production was never started,
it continued to deal solely with financial matters.
This company therefore recorded neither profits nor
losses. The costs were
