AFFIDAVIT

I, Bruno Fugmann, born 9 July 1883 at Leipzig, residing in Rheinhausen, Villenstrasse 4, have been duly warned that false statements on my part will render me liable to punishment. I declare on oath that my statement is true and was made in order to be presented as evidence to the Military Tribunal III A, Case 10 at the Palace of Justice, Nuernberg, Germany.

In 1942, the Sartana Eisen- und Metallwerke G.m.b.H. was granted a loan by the Heereskredit A.G. Berlin for the machines and installations purchased in Germany by order of and at the expense of the Army High Command.

Of this RM 21,740,000.-- were drawn. Of this sum, RM 3,500,000.-- were paid back to the Heereskredit-A.G. in 1944. RM 18,000,000.-- were used for the purchase of machines and installations. So far there has not been a final settlement of accounts with the Army High Command. All receipts and expenses were, however, duly entered in properly kept account books.

Signed: Bruno Fugmann
