AFFIDAVIT

Essen, 16 March 1948

I, Wilhelm Reiff, domiciled at Rheinhausen, Maiblumenstr. 76, am aware of the fact that I shall be liable to punishment for making a false affidavit. I declare on oath that my statements are true and were made in order to be submitted as evidence to the Military Tribunal at the Palace of Justice in Nuremberg.

In connection with Prosecution Document NIK-957, Exhibit No. 1048, shown to me by Dr. Weiz, the following facts should be established:

The matter in question at the time was apparently some information given by Herr Saur of the Ministry of Ammunition on the occasion of a conference elsewhere, which I communicated to the firm Krupp in Essen to use at liberty. The remark "dealt with by noting" inserted by the Artillery Development (AK) -Office proves that the AK and War Materials (KW) -Departments did not take any steps in this matter.
