

Document Eberhardt No. 309

Exhibit No.

C o p y

Essen, 29 December 1947.

A F F I D A V I T .

I,

Clemens KLUSEMANN,
residing in Essen-Bredonoy,
Berenberger Mark 105,

after having been cautioned that by making a false affidavit
I render myself liable to punishment, hereby declare that my
statement is true and was made in order to be submitted as
evidence to the Military Tribunal in the Palace of Justice at
Nuremberg.

Since November 1941 until the end of 1946 I had been
employed with the firm of Fried. Krupp as an office worker in
Direktor Eberhardt's department. I herewith declare that Direktor
Eberhardt never appeared in the inner operations of the depart-
ment in any other capacity than as a member of the firm and as
economic manager. He never attempted to exert any political
influence. In particular it had never come to my knowledge that
from his side, pressure had been brought to bear upon the employees
- either directly or indirectly - to induce them to join the Party.
I also know that in regard to promotions,

salary raises and employment matters the question of Party membership did not play any part whatsoever with Herr Eberhardt and that such cases always were settled on their professional merits, especially from the viewpoint of the capabilities and the efficiency of the person in question.
