Essen (Ruhr)

Essen, (Ruhr) 14 Febr. 1948.

A F F I D A V I T

I, Hans RUDOLPH, residing in Essen (Ruhr), Gudulastrasse 31, after having been cautioned that by making a false affidavit I render myself liable to punishment, hereby declare that my statement is true and was made in order to be submitted as evidence to the Military Tribunal in the Palace of Justice at Nuremberg.

From the time of my entering the services of Fried. Krupp, Herr Eberhardt had been my superior. I am quite well informed as to his relations to the NSDAP as he repeatedly expressed his views to me quite openly on this subject, although I was never a member of the Party. In private conversations he often enough passed scathing judgments on the National-Socialistic regime. Since I was in charge of personnel matters in his department from 1938 on I know that the majority of his closer associates appointed by him personally were not party members.
