

Duesseldorf-Bonnrat, 15 December 1947.

Affidavit. --

- 1.) I, Dipl.-Ing. Dr. Hans LEYERS, formerly a member of the Heereswaffenamt, residing in Duesseldorf-Bonnrat, Rogerstrasse 3, born 5 March 1896 in Duesseldorf, am aware that I render myself liable to prosecution if I make a false statement on oath. I declare on oath that my statement is true and that it was made for use as evidence at the Military Tribunal, Palace of Justice, Nuremberg, Germany.
- 2.) Whenever I was present at meetings at the Fuehrer Headquarters, Prof. Dr. MUELLER never played an important role which could have given the impression that he especially enjoyed HITLER's confidence as far as armament questions were concerned.

Only TODT or SAUR reported for instance about questions concerning production. Dr. MUELLER only answered direct questions concerning purely technical details.

(signed) Dr. LEYERS.

The above signature of Diplon-Ingenieur Dr. Hans LEYERS in Duesseldorf-Bonnrat, known to me personally, was given before me this day and is hereby certified and witnessed by me.
